

Pirates to Panthers

ACADEMY

A dual enrollment program

The **Pirates to Panthers (P2P) Academy** is a collaboration between Florida Institute of Technology and Palm Bay Magnet High School designed to prepare students for success in industries unique to Florida's Space Coast. Students who participate in the program gain high-quality, hands-on education experience at the high school and college levels, preparing them for careers of the future.

BENEFITS OF THE P2P ACADEMY

Students admitted to the program earn college credit from a prestigious national, doctoral-granting research university at no cost to them. Additional benefits include:

- Hands-on, college-level experience in science, engineering, business, aeronautics, psychology and liberal arts while still in high school
- Enhanced credentials prior to applying for admission to four-year universities
- Access to stellar faculty and state-of-the-art research and laboratories
- Guaranteed admission to a Florida Tech degree program if you complete at least 6 semester credit hours and achieve a cumulative GPA of 3.0 or higher in your courses at Florida Tech
